Slate Overview

Three series titles offered for worldwide distribution. Each entry states episode count, runtime per episode, language, completion status and rights position. Unconfirmed figures are marked as unconfirmed.

Slate At A Glance

Title	Format	Episodes	Runtime	Language	Status
The Long Dark	Limited series	6	52 min	English	Completed
Harbour Line	Returning drama	10	45 min	English	S1 completed
The Quiet Trade	Limited series	6	48 min	English / French	In post

The Long Dark

FORMAT	Limited series, 6 × 52 minutes
LANGUAGE	English
RELEASE DATE	Completed — available immediately
GENRE	Psychological thriller
TERRITORY POSITION	Worldwide
DELIVERY	4K IMF per episode, 5.1, HOH and AD tracks available
RATING GUIDANCE	Expected 15 equivalent
SUBTITLES	English, French, German, Spanish, Nordic masters

A polar research station goes quiet in the fourth week of a six-month night. The relief team finds it warm, intact and empty, with one crew member still there. Six episodes, three standing sets, no visual effects sequences.

- Contained production profile with a strong cost-per-hour position.
- Closed-ended, which suits acquisition into a limited-series strand.
- Travels well: minimal cultural specificity and a universal premise.

Harbour Line

FORMAT	Returning drama, 10 × 45 minutes
LANGUAGE	English
RELEASE DATE	Season one completed; season two greenlit
GENRE	Ensemble crime drama
TERRITORY POSITION	Worldwide excluding domestic

DELIVERY	HD and 4K IMF per episode, 5.1
RATING GUIDANCE	Expected 15 equivalent
SUBTITLES	English, Spanish, Portuguese, Italian

A port city police unit and the shipping families it cannot investigate. Procedural spine with a serialised ownership plot across the season. Season two is greenlit, which makes this a volume proposition rather than a single-season buy.

The Quiet Trade

FORMAT	Limited series, 6 × 48 minutes
LANGUAGE	English and French
RELEASE DATE	In post — delivery expected within two quarters
GENRE	Financial thriller
TERRITORY POSITION	Worldwide excluding France
DELIVERY	4K IMF per episode, 5.1, forced subtitle master
RATING GUIDANCE	Unconfirmed — classification pending
SUBTITLES	English, French confirmed; further masters unconfirmed

A compliance officer at a private bank finds a pattern that only makes sense if her own department is the mechanism. Substantial French-language content with a forced-subtitle delivery master.

UNCONFIRMED ITEMS

Two items on this title are unconfirmed: classification and the additional subtitle masters. They are listed as unconfirmed rather than estimated, and will be confirmed in writing before any offer is accepted.

Delivery And Contact

- Episode-level delivery against a standard international schedule; full list on request.
- Screeners issued per episode on watermarked, expiring links to verified buyers only.
- Holdbacks and window positions confirmed in writing before any offer is accepted.
